A volunteer-based, free, non-profit healthcare clinic that treats the whole person and family and believes every patient regardless of ability to pay, language, or country or origin deserves high quality health care delivered with compassion, sensitivity and respect.

Quality Compassionate Care

Too many citizens in our area don't qualify for insurance, can't afford insurance or can't afford the direct cost of healthcare services and medication.

Therefore, YOUR support changes lives.

The sponsorship opportunities that are part of the Paying it Forward Fundraising Event will allow your organization to be a part of a celebration of an organization that is supported by caring, community minded individuals from the healthcare field and all sectors who believe every individual, family, and child should have access to healthcare services and medicine.
